Anyway, let's talk about other things I've been holding in for a while! I punched a Nazi after he assaulted me

isis agora lovecruft @isislovecruft · 16 Oct 2017
I attended the EFF Pioneer Awards. At the (unofficial) afterparty, I chance met two PoC in tech who were intelligent and helping others

isis agora lovecruft @isislovecruft · 16 Oct 2017
They were data scientists, one a Ph.D. from Ghana, talking about using ride sharing data to learn to help drivers use less gas & drive safer

isis agora lovecruft @isislovecruft · 16 Oct 2017
They were respectful, professional, brilliant, kind and sweet. Then we walked outside, as the bar we'd gone to for the afterparty closed

isis agora lovecruft @isislovecruft · 16 Oct 2017
As we walked outside, this dude (below) called the man I'd been talking to an n-word. I was literally stunned and could only say "wtf?!"

Arrest Report
Casey William Hardison

isis agora lovecruft @isislovecruft · 16 Oct 2017
The person from Ghana graciously shook Hardison's hand and departed. Hardison turned on me and alternated between referring to me as he/she

isis agora lovecruft @isislovecruft · 16 Oct 2017
Him: "you're one o'those weirdos"
Me: "what weirdos?"
Him: "you're one o'those fucking freaks, like Chelsea"
[referring to my friend, @xychelsea]

isis agora lovecruft @isislovecruft · 16 Oct 2017
I didn't know what to say. I said gender was complicated for many people. I almost started crying. Then he grabbed me and force kissed me

isis agora lovecruft @isislovecruft · 16 Oct 2017
I was insulted, horrified, hurt, abused, and ashamed. I didn't know what to do. but then he turned on @ xychelsea, and I fucking lost it

isis agora lovecruft @isislovecruft · 16 Oct 2017
He had asked me, when saying the n-word, what "a good white woman was doing with a black man" and now he proceeded to misgender my friend

isis agora lovecruft @isislovecruft · 16 Oct 2017
Hardison then said, after sexually assaulting me, "sweetie, Chelsea is a 'man', and 'he' is trying to be a woman" and I just fucking lost it

isis agora lovecruft @isislovecruft · 16 Oct 2017
I punched the racist motherfucking nazi sexist transmisogynist piece of shit in his fucking face

After punching him, nazi dude looked at incoming traffic, then decided the optimal thing to do was to grab me and drag me into traffic

This was taken 24 hours later, on the other side of my arm were clear finger marks from a hold of someone larger than I

isis agora lovecruft @isislovecruft · 16 Oct 2017
I thought he was trying to drag me into traffic and kill me. I didn't know what to do. My left arm pinned; I punched him w/ right 3-4 times

isis agora lovecruft @isislovecruft · 16 Oct 2017
Dude went slack, letting go of me and swaying. I seriously thought about punching him in the throat and leaving him in the road for dead

isis agora lovecruft @isislovecruft · 16 Oct 2017
I imagined seeing and hearing a thing of cars hitting him; the blood and the crunching... I could never hurt someone like that... I can't

isis agora lovecruft @isislovecruft · 16 Oct 2017
I fucking lost it, I'm so sorry, but then Hardison was screaming (and I had certainly never introduced myself to this nazi piece of shit)

isis agora lovecruft @isislovecruft · 16 Oct 2017
But dude was screaming "isis agora lovecruft assaulted me" and it was clear at that point he had been sent there and already knew my name

isis agora lovecruft @isislovecruft · 16 Oct 2017
So this brings us to what he said to folks attending the (again, unofficial) EFF afterparty, while he was calling cops on me for his assault

isis agora lovecruft @isislovecruft · 16 Oct 2017
To be clear: dude wrote his own wikipedia page, bragging about a 9 year prison sentence for selling drugs for greed: en.wikipedia.org/wiki/Casey_Wil...

isis agora lovecruft @isislovecruft · 16 Oct 2017
He proceeded, after assaulting me, to tell EFF people that "he was going to become famous from this"

isis agora lovecruft @isislovecruft · 16 Oct 2017
He continued that he'd "stopped off at John Gilmore's house" *cough* and John (a member of EFF's board of directors) had told him to attend

isis agora lovecruft @isislovecruft · 16 Oct 2017
"somebody please tell whomever cares that casey william hardison has left several pounds of substances at john gilmore's house"

isis agora lovecruft @isislovecruft · 16 Oct 2017
anyway, John Gilmore, who is apparently worthwhile for "running his email server since 1992" as if that were a thing to care about...

isis agora lovecruft @isislovecruft · 16 Oct 2017
has previously, because he's upset about people speaking up about Jake raping people (👏), sent racist sexist emails to antagonise people

isis agora lovecruft @isislovecruft · 16 Oct 2017
has now quite literally sent people after me to assault me, along with being complacent as my rapist proceeds to assault my family, cool

isis agora lovecruft @isislovecruft · 16 Oct 2017
Anyway... working in your privacy and anonymity is cool... actually don't. Please stay away. Go anywhere else.

isis agora lovecruft @isislovecruft · 16 Oct 2017
Alright well, I was serious, but later I'm going to talk about the men who will hurt you for being truthful. This field is shit

isis agora lovecruft @isislovecruft · 16 Oct 2017
Another "cool"
thing is that Hardison's wife is a literal eugenicist

isis agora lovecruft @isislovecruft · 17 Oct 2017
And that these goddamned piece of shit rapist abuser men are only there because they're enabled by someone you know. KILL THEIR ENABLER

isis agora lovecruft @isislovecruft · 17 Oct 2017
so I'm back, I thought if I napped I'd be less angry but nah

isis agora lovecruft @isislovecruft · 17 Oct 2017
like how they fuck does "dude who's 'famous' for running an email server" not make it clear he's a bad person when he can get away with it
